MSA *The Safety Company*

us.msasafety.com/bacharach

MSA Bacharach specializes in gas detection, refrigerant monitoring, and combustion analysis for HVAC/R, commercial, and industrial applications. Its technology detects leaks, improves safety, reduces refrigerant loss, enhances efficiency, and supports environmental compliance.

AL, FL, GA, NC, SC, PR, CAR

RIP-TIE FUZZY CABLE WRAPS™

www.riptie.com

Rip-Tie specializes in reusable hook-and-loop cable management solutions, including cable wraps, ties, and organizers. Its durable, easy-to-use products protect cables, reduce clutter, and simplify installations for professional AV, networking, and low-voltage applications.

AL, FL, GA, MS, NC, SC, TN, PR, CAR

TAKEX

www.takex.com/us

TAKEX specializes in advanced security and industrial sensing solutions, infrared photoelectric beams, motion detectors, perimeter protection, vape detection, flame sensors, and automation sensors. It delivers reliable detection, enhanced safety, and protection for commercial, industrial, and residential applications.

AL, FL, GA, NC, SC, EAST TN, PR, CAR

TORUS

www.torus-technology.com

Torus Technology specializes in intelligent key management solutions, including electronic key cabinets, cloud-based software, and access control integration. Its technology provides secure key storage, real-time tracking, and remote management to enhance security, accountability, and efficiency.
